From the files separately tied up, it will be observed that the Chief Commissioner himself sanctioned grants in-aid towards the Ordnance School on 30/6/62 Public Cattle Attendants do 18/6/64 Artillery Lines do on 13/3/65 Drummers' do on 24/3/65

In July 1873 the Mysore Grant-in-Aid Rules were published, after having been sanctioned by the Govt of India, and the latter empowered the Local Govt to do the same, at its discretion, to grant-in-aid monies for

Applications for sanction, accompanied by Proposition Statements, appear to have been required by Government previous to the date of the Mysore Grants-in-Aid Rules, see Memo 5796 of Home Dept Memo No 67 dated 27/7/64 forwarded to us by the Foreign Dept on the 22d March 1873 - and also subsequent to the Grants-in-Aid rules please see No 1595 dated 1st June and Govt function thereto dated 16th July 1874

Under these circumstances therefore, our Proposals, should perhaps, be directed to forward Proposals in duplicate as for submission to the Home Secretary who deals with Mysore Educational matters

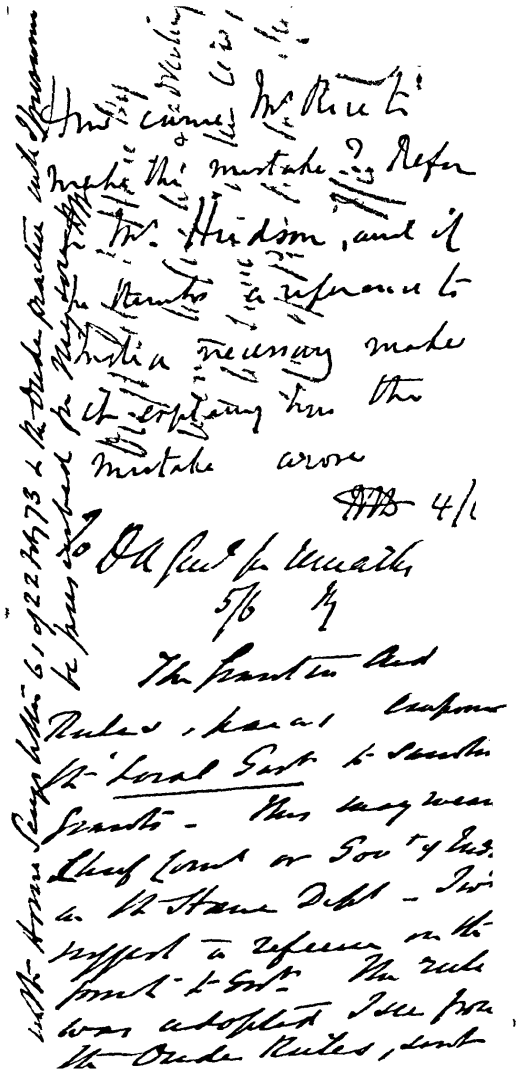
Lieut Captain [illegible]
These orders of Govt have not been complied with by us, in any way, as we have not received any Proposals from the Mysore Educational Authorities



I think that the Chairman's sanction recently given to a grant in aid to the Male School of the 36 Dep N I, does not appear to approve of this - but stands alone. Please Report

Sir,

a Doubt having occurred as to whether under the terms of the Revised Rules and Rules for the Home, Sanction should be given by Govt to the Mysore C C Proceedings No 262 of 19 June 1873, the Chief Comm Can sanction grants in aid

~~the~~ a doubt having occurred ~~as to whether~~ under the Rules of the ~~Govt has the competency or~~ Regulations and Rules for the otherwise of the Chief ~~Comm to sanction grants in aid, and building grants~~ for Educational purposes, without previous reference to the Govt of India, I am desired by the Offg Chief Comm ~~to refer the point~~ enjoined to request for the orders of the Govt of India.

The doubt arose in reference to a Grant-in-aid of Rupees 15 per mensem recently sanctioned by the Offg Chief Comm towards the maintenance of a Telegu Girls School established by the Native

Officers of the 36th Regt stationed at Bangalore. The particulars of the application on behalf of the Grant and the Offg Ch Comm.rs' sanction thereto, are contained in the accompanying copy of Proceedings No. 831/2 dated 30th April 1876

2 The course followed in Mysore in dealing with applications for Grants-in-aid, previous to the adoption of the revised Grant-in-aid Rules, sanctioned in your letter No. 262 dated 19th June 1873, was, in some cases to admit the item into the Educational Budget provisionally, and to submit a Proposition Statement of particulars to the Govt of India for formal sanction The Proposition Statement after preceding the Budget or following it

It appears to have been usual, too, to submit such grants for the sanction of the Govt of India since the issue of the Rules

In other cases again,
when the application
admitted of delay, the
sanction of the Govt
of India was first applied

usual Proposition State-
ment, before the item
was admitted into the
Budget

2 Para 1 of the Grant
-in-aid Rules above re-
ferred to, a copy of which
is forwarded for ready
reference, empowers the
"Local Government" to
sanction these Grants,
but the Offg Chief Comr
is somewhat doubtful
whether the Chief Comr
or "the Govt of India in
the Home Department"
is meant. The Rules
in question was adopted
from the Oudh Rules

of a sense for an allowing

the term has not been

it is interpreted, the
Chief Comm indicates
the powers to sanction
these Rules.

I doubt the wisdom of the suggestion we have the power of a "Local Govt" - at any rate first ask Mr Rice whether it has been usual since 1873 to submit for sanction all such grants & to sanction here

The letter may go with suggestion that usual course should be followed in future. I will have draft prepared.
